The meeting was called to order with all board members present. The minutes from the April meeting were approved and with no public comments, Director Elkins began with program updates. Elkins stated that the baseball/softball season was in full swing and weather had been an issue canceling several games already. Elkins stated that the next athletic program coming up would be Flag Football and registration would start in July. Elkins then mentioned that there were several fitness classes coming up. MovingU was happening on Monday nights at the parks and recreation building. A Couch to 5K program was started at the stage walking track on Thursdays. This program would culminate the week prior to July 4th and that the department was hosting a 5K race on the 4th as a capstone to the program. Aquafit would be starting soon as well once the city pool opens. Elkins then gave an update on pool staff saying there were 21 lifeguards ready for the summer and that Lisa Jarnigan would be returning again as manager. Elkins mentioned that the full Summer of Fun was not finalized but there were numerous events scheduled throughout the summer including moonlight swims, golf clinics, summer camp and movie nights. With no other business, the meeting was adjourned.
